# Aidan Walz

Web Design & Software Development

Contact:  **aidan.m.walz@gmail.com**
**574-222-0338**

## ABOUT ME

I have been programming in various capacities for almost five years now, mostly in object-oriented languages like C# and Java. I have a passion for problem-solving and design that I express through the construction of apps. I enjoy the process of bringing all of the pieces together to make a cohesive user experience.

## EDUCATION

**2015-2019 :**
Career Academy South Bend

**2019-Present :**
